In the event of any conflict between the terms of such Confirmation and this Agreement, the Confirmation shall prevail in respect of that Transaction and those terms only.
 - (c) On the Purchase Date for a Transaction, Seller shall transfer the Purchased Securities to Buyer or its agent against the payment of the Purchase Price by Buyer.

 - In the case of on demand Transactions, demand for Termination shall be made by Buyer or
 - (e) Seller, by telephone or otherwise, and shall provide for Termination to occur after not less than the minimum period as is customarily required for the settlement or delivery of money or Equivalent Securities of the relevant kind.
 - On the Repurchase Date, Buyer shall transfer to Seller or its agent Equivalent Securities
 - (f) against the payment of the Repurchase Price by Seller (less any amount then payable and unpaid by Buyer to Seller pursuant to paragraph 5).

4. Margin Maintenance

If at any time either party has a Net Exposure in respect of the other party it may by notice to

(a) the other party require the other party to make a Margin Transfer to it of an aggregate amount or value at least equal to that Net Exposure.

(b) A notice under sub paragraph (a) above may be given orally or in writing.

For the purposes of this Agreement a party has a Net Exposure in respect of the other party if the aggregate of all the first party's Transaction Exposures plus any amount payable to the first party under paragraph 5 but unpaid less the amount of any Net Margin provided to the first party exceeds the aggregate of all the other party's Transaction Exposures plus any

(c) amount payable to the other party under paragraph 5 but unpaid less the amount of any Net Margin provided to the other party; and the amount of the Net Exposure is the amount of the excess. For this purpose any amounts not denominated in the Base Currency shall be converted into the Base Currency at the Spot Rate prevailing at the relevant time.

To the extent that a party calling for a Margin Transfer has previously paid Cash Margin which has not been repaid or delivered Margin Securities in respect of which Equivalent

(d) Margin Securities have not been delivered to it, that party shall be entitled to require that such Margin Transfer be satisfied first by the repayment of such Cash Margin or the delivery of Equivalent Margin Securities but, subject to this, the composition of a Margin Transfer shall be at the option of the party making such Margin Transfer.

(e) Any Cash Margin transferred shall be in the Base Currency or such other currency as the parties may agree.

A payment of Cash Margin shall give rise to a debt owing from the party receiving such payment to the party making such payment. Such debt shall bear interest at such rate, payable

(f) at such times, as may be specified in Annex I hereto in respect of the relevant currency or otherwise agreed between the parties, and shall be repayable subject to the terms of this Agreement.

Where Seller or Buyer becomes obliged under sub paragraph (a) above to make a Margin Transfer, it shall transfer Cash Margin or Margin Securities or Equivalent Margin Securities

(g) within the minimum period specified in Annex I hereto or, if no period is there specified, such minimum period as is customarily required for the settlement or delivery of money, Margin Securities or Equivalent Margin Securities of the relevant kind.

The parties may agree that, with respect to any Transaction, the provisions of sub-paragraphs

(h) (a) to (g) above shall not apply but instead that margin may be provided separately in respect of that Transaction in which case

(i) that Transaction shall not be taken into account when calculating whether either party has a Net Exposure;

(ii) margin shall be provided in respect of that Transaction in such manner as the parties may agree; and

(iii) margin provided in respect of that Transaction shall not be taken into account for the purposes of sub paragraphs (a) to (g) above.

The parties may agree that any Net Exposure which may arise shall be eliminated not by Margin Transfers under the preceding provisions of this paragraph but by the repricing of

(i) Transactions under sub paragraph (j) below, the adjustment of Transactions under sub-paragraph (k) below or a combination of both these methods.

(j) Where the parties agree that a Transaction is to be repriced under this sub paragraph, such repricing shall be effected as follows -

(i) the Repurchase Date under the relevant Transaction (the “original Transaction”) shall be deemed to occur on the date on which the repricing is to be effected (the “Repricing Date”);

(ii) the parties shall be deemed to have entered into a new Transaction (the “Repriced Transaction”) on the terms set out in (iii) to (vi) below;

(iii) the Purchased Securities under the Repriced Transaction shall be Securities equivalent to the Purchased Securities under the Original Transaction;

(iv) the Purchase Date under the Repriced Transaction shall be the Repricing Date;

the Purchase Price under the Repriced Transaction shall be such amount as shall, when

(v) multiplied by the Margin Ratio applicable to the Original Transaction, be equal to the Market Value of such Securities on the Repricing Date;

(vi) the Repurchase Date, the Pricing Rate, the Margin Ratio and, subject as aforesaid, the other terms of the Repriced Transaction shall be identical to those of the Original Transaction;

the obligations of the parties with respect to the delivery of the Purchased Securities and the payment of the Purchase Price under the Repriced Transaction shall be set off against their obligations with respect to the delivery of Equivalent Securities and payment of the

(vii) Repurchase Price under the Original Transaction and accordingly only a net cash sum shall be paid by one party to the other. Such net cash sum shall be paid within the period specified in sub paragraph (g) above.

The adjustment of a Transaction (the “Original Transaction”) under this sub paragraph shall be effected by the parties agreeing that on the date on which the adjustment is to be made (the

(k) “Adjustment Date”) the Original Transaction shall be terminated and they shall enter into a new Transaction (the “Replacement Transaction”) in accordance with the following provisions

(i) the Original Transaction shall be terminated on the Adjustment Date on such terms as the parties shall agree on or before the Adjustment Date;

-
- the Purchased Securities under the Replacement Transaction shall be such Securities as the parties shall agree on or before the Adjustment Date (being Securities the aggregate Market
- (ii) Value of which at the Adjustment Date is substantially equal to the Repurchase Price under the Original Transaction at the Adjustment Date multiplied by the Margin Ratio applicable to the Original Transaction);
- (iii) the Purchase Date under the Replacement Transaction shall be the Adjustment Date;
- (iv) the other terms of the Replacement Transaction shall be such as the parties shall agree on or before the Adjustment Date; and
- (v) the obligations of the parties with respect to payment and delivery of Securities on the Adjustment Date under the Original Transaction and the Replacement Transaction shall be settled in accordance with paragraph 6 within the minimum period specified in sub paragraph (g) above.

5. Income Payments

Unless otherwise agreed -

- where the Term of a particular Transaction extends over an Income Payment Date in respect of any Securities subject to that Transaction, Buyer shall on the date such Income is paid by the issuer transfer to or credit to the account of Seller an amount equal to (and in the same currency as) the amount paid by the issuer;
- (i) where Margin Securities are transferred from one party ("the first party") to the other party ("the second party") and an Income Payment Date in respect of such Securities occurs before Equivalent Margin Securities are transferred by the second party to the first party, the second
- (ii) party shall on the date such Income is paid by the issuer transfer to or credit to the account of the first party an amount equal to (and in the same currency as) the amount paid by the issuer;

and for the avoidance of doubt references in this paragraph to the amount of any Income paid by the issuer of any Securities shall be to an amount paid without any withholding or deduction for or on account of taxes or duties notwithstanding that a payment of such Income made in certain circumstances may be subject to such a withholding or deduction.

6. Payment and Transfer

- Unless otherwise agreed, all money paid hereunder shall be in immediately available freely convertible funds of the relevant currency. All Securities to be transferred hereunder (i) shall
- (a) be in suitable form for transfer and shall be accompanied by duly executed instruments of transfer or assignment in blank (where required for transfer) and

such other documentation as the transferee may reasonably request, or (ii) shall be transferred through the book entry system of Euroclear or Clearstream, or (iii) shall be transferred through any other agreed securities clearance system or (iv) shall be transferred by any other method mutually acceptable to Seller and Buyer.

- Unless otherwise agreed, all money payable by one party to the other in respect of any Transaction shall be paid free and clear of, and without withholding or deduction for, any taxes or duties of whatsoever nature imposed, levied, collected, withheld or assessed by any authority having power to tax, unless the withholding or deduction of such taxes or duties is required by law. In that event, unless otherwise agreed, the paying party shall pay such additional amounts as will result in the net amounts receivable by the other party (after taking account of such withholding or deduction) being equal to such amounts as would have been received by it had no such taxes or duties been required to be withheld or deducted.
- (b)

- Unless otherwise agreed in writing between the parties, under each Transaction transfer of Purchased Securities by Seller and payment of Purchase Price by Buyer against the transfer of such Purchased Securities shall be made simultaneously and transfer of Equivalent Securities by Buyer and payment of Repurchase Price payable by Seller against the transfer of such Equivalent Securities shall be made simultaneously.
- (c)

- Subject to and without prejudice to the provisions of sub paragraph 6(c), either party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities and money waive in relation to any Transaction its rights under this Agreement to receive simultaneous transfer and/or payment provided that transfer and/or payment shall, notwithstanding such waiver, be made on the same day and provided also that no such waiver in respect of one Transaction shall affect or bind it in respect of any other Transaction.
- (d)

- The parties shall execute and deliver all necessary documents and take all necessary steps to procure that all right, title and interest in any Purchased Securities, any Equivalent Securities, any Margin Securities and any Equivalent Margin Securities shall pass to the party to which transfer is being made upon transfer of the same in accordance with this Agreement, free from all liens, claims, charges and encumbrances.
- (e)

- Notwithstanding the use of expressions such as “*Repurchase Date*”, “*Repurchase Price*”, “*margin*”, “*Net Margin*”, “*Margin Ratio*” and “*substitution*”, which are used to reflect terminology used in the market for transactions of the kind provided for in this Agreement, all right, title and interest in and to Securities and money transferred or paid under this Agreement shall pass to the transferee upon transfer or payment, the obligation of the party receiving Purchased Securities or Margin Securities being an obligation to transfer Equivalent Securities or Equivalent Margin Securities.
- (f)

- (g) Time shall be of the essence in this Agreement.

- (h) Subject to paragraph 10, all amounts in the same currency payable by each party to the other under any Transaction or otherwise under this Agreement on the same date shall be

combined in a single calculation of a net sum payable by one party to the other and the obligation to pay that sum shall be the only obligation of either party in respect of those amounts.

Subject to paragraph 10, all Securities of the same issue, denomination, currency and series, transferable by each party to the other under any Transaction or hereunder on the same date (i) shall be combined in a single calculation of a net quantity of Securities transferable by one party to the other and the obligation to transfer the net quantity of Securities shall be the only obligation of either party in respect of the Securities so transferable and receivable.

If the parties have specified in Annex I hereto that this paragraph 6(j) shall apply, each obligation of a party under this Agreement (other than an obligation arising under paragraph 10) is subject to the condition precedent that none of those events specified in paragraph 10(a) (j) which are identified in Annex I hereto for the purposes of this paragraph 6(j) (being events which, upon the serving of a Default Notice, would be an Event of Default with respect to the other party) shall have occurred and be continuing with respect to the other party.

7. Contractual Currency

All the payments made in respect of the Purchase Price or the Repurchase Price of any Transaction shall be made in the currency of the Purchase Price (the “Contractual Currency”) save as provided in paragraph 10(c)(ii). Notwithstanding the foregoing, the payee of any money may, at its option, accept tender thereof in any other currency, provided, however, that, (a) to the extent permitted by applicable law, the obligation of the payer to pay such money will be discharged only to the extent of the amount of the Contractual Currency that such payee may, consistent with normal banking procedures, purchase with such other currency (after deduction of any premium and costs of exchange) for delivery within the customary delivery period for spot transactions in respect of the relevant currency.

If for any reason the amount in the Contractual Currency received by a party, including amounts received after conversion of any recovery under any judgment or order expressed in a currency other than the Contractual Currency, falls short of the amount in the Contractual (b) Currency due and payable, the party required to make the payment will, as a separate and independent obligation, to the extent permitted by applicable law, immediately transfer such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall.

If for any reason the amount in the Contractual Currency received by a party exceeds the (c) amount of the Contractual Currency due and payable, the party receiving the transfer will refund promptly the amount of such excess.

8. Substitution

(a) A Transaction may at any time between the Purchase Date and Repurchase Date, if Seller so requests and Buyer so agrees, be varied by the transfer by Buyer to Seller of Securities

equivalent to the Purchased Securities, or to such of the Purchased Securities as shall be agreed, in exchange for the transfer by Seller to Buyer of other Securities of such amount and description as shall be agreed (“New Purchased Securities”) (being Securities having a Market Value at the date of the variation at least equal to the Market Value of the Equivalent Securities transferred to Seller).

Any variation under sub paragraph (a) above shall be effected, subject to paragraph 6(d), by
(b) the simultaneous transfer of the Equivalent Securities and New Purchased Securities concerned.

A Transaction which is varied under sub paragraph (a) above shall thereafter continue in effect as though the Purchased Securities under that Transaction consisted of or included the New
(c) Purchased Securities instead of the Securities in respect of which Equivalent Securities have been transferred to Seller.

Where either party has transferred Margin Securities to the other party it may at any time before Equivalent Margin Securities are transferred to it under paragraph 4 request the other party to transfer Equivalent Margin Securities to it in exchange for the transfer to the other party of new Margin Securities having a Market Value at the time of transfer at least equal to that of such Equivalent Margin Securities. If the other party agrees to the request, the exchange shall be effected, subject to paragraph 6(d), by the simultaneous transfer of the
(d) Equivalent Margin Securities and new Margin Securities concerned. Where either or both of such transfers is or are effected through a settlement system in circumstances which under the rules and procedures of that settlement system give rise to a payment by or for the account of one party to or for the account of the other party, the parties shall cause such payment or payments to be made outside that settlement system, for value the same day as the payments made through that settlement system, as shall ensure that the exchange of Equivalent Margin Securities and new Margin Securities effected under this sub paragraph does not give rise to any net payment of cash by either party to the other.

9. Representations

Each party represents and warrants to the other that -

it is duly authorised to execute and deliver this Agreement, to enter into the Transactions
(a) contemplated hereunder and to perform its obligations hereunder and thereunder and has taken all necessary action to authorise such execution, delivery and performance;

- (e) hereunder will not violate any law, ordinance, charter, by law or rule applicable to it or any agreement by which it is bound or by which any of its assets are affected;
 - (f) it has satisfied itself and will continue to satisfy itself as to the tax implications of the Transactions contemplated hereunder;
 - (g) in connection with this Agreement and each Transaction -
 - unless there is a written agreement with the other party to the contrary, it is not relying on any
 - (i) advice (whether written or oral) of the other party, other than the representations expressly set out in this Agreement;
 - it has made and will make its own decisions regarding the entering into of any Transaction
 - (ii) based upon its own judgment and upon advice from such professional advisers as it has deemed it necessary to consult;
 - (iii) it understands the terms, conditions and risks of each Transaction and is willing to assume (financially and otherwise) those risks; and
 - (h) at the time of transfer to the other party of any Securities it will have the full and unqualified right to make such transfer and that upon such transfer of Securities the other party will receive all right, title and interest in and to those Securities free of any lien, claim, charge or encumbrance.

On the date on which any Transaction is entered into pursuant hereto, and on each day on which Securities, Equivalent Securities, Margin Securities or Equivalent Margin Securities are to be transferred under any Transaction, Buyer and Seller shall each be deemed to repeat all the foregoing representations. - (i) to be transferred, the amount of any Cash Margin (including the amount of interest accrued) to be transferred and the Repurchase Prices to be paid by each party shall be established by the non-Defaulting Party for all Transactions as at the Repurchase Date; and

on the basis of the sums so established, an account shall be taken (as at the Repurchase Date) of what is due from each party to the other under this Agreement (on the basis that each party's claim against the other in respect of the transfer to it of Equivalent Securities or Equivalent Margin Securities under this Agreement equals the Default Market Value therefor) and the sums due from one party shall be set off against the sums due from the

- (ii) other and only the balance of the account shall be payable (by the party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be due and payable on the next following Business Day. For the purposes of this Agreement, the "Default Market Value" of any Equivalent Securities

- (d) or Equivalent Margin Securities shall be determined in accordance with sub paragraph (e) below, and for this purpose -

the "Appropriate Market" means, in relation to Securities of any description, the market

- (i) which is the most appropriate market for Securities of that description, as determined by the non-Defaulting Party;

the "Default Valuation Time" means, in relation to an Event of Default, the close of business in the Appropriate Market on the fifth dealing day after the day on which that Event of Default occurs or, where that Event of Default is the occurrence of an Act of Insolvency in

- (ii) respect of which under paragraph 10(a) no notice is required from the non-Defaulting Party in order for such event to constitute an Event of Default, the close of business on the fifth dealing day after the day on which the non-Defaulting Party first became aware of the occurrence of such Event of Default;

- (iii) "Deliverable Securities" means Equivalent Securities or Equivalent Margin Securities to be delivered by the Defaulting Party;

"Net Value" means at any time, in relation to any Deliverable Securities or Receivable Securities, the amount which, in the reasonable opinion of the non-Defaulting Party, represents their fair market value, having regard to such pricing sources and methods (which

- (iv) may include, without limitation, available prices for Securities with similar maturities, terms and credit characteristics as the relevant Equivalent Securities or Equivalent Margin Securities) as the non-Defaulting Party considers appropriate, less, in the case of Receivable Securities, or plus, on the case of Deliverable Securities, all Transaction Costs which would be incurred in connection with the purchase or sale of such Securities;

-
- (v) “Receivable Securities” means Equivalent Securities or Equivalent Margin Securities to be delivered to the Defaulting Party; and

- (i) If between the occurrence of the relevant Event of Default and the Default Valuation Time
- (e) the non-Defaulting Party gives to the Defaulting Party a written notice (a “Default Valuation Notice”) which -

- in the case of Receivable Securities, the net proceeds of such sale after deducting all reasonable costs, fees and expenses incurred in connection therewith (provided that, where the Securities sold are not identical in amount to the Equivalent Securities or Equivalent Margin Securities, the non-Defaulting Party may either (x) elect to treat such net proceeds of sale divided by the amount of Securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Margin Securities as the Default Market Value or
- (aa) (y) elect to treat such net proceeds of sale of the Equivalent Securities or Equivalent Margin Securities actually sold as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Margin Securities, and, in the case of (y), the Default Market Value of the balance of the Equivalent Securities or Equivalent Margin Securities shall be determined separately in accordance with the provisions of this paragraph 10(e) and accordingly may be the subject of a separate notice (or notices) under this paragraph 10(e) (i); or
- in the case of Deliverable Securities, the aggregate cost of such purchase, including all
- (bb) reasonable costs, fees and expenses incurred in connection therewith (provided that, where the Securities purchased are not identical in amount to the Equivalent Securities or Equivalent Margin Securities, the non-Defaulting

Party may either (x) elect to treat such aggregate cost divided by the amount of Securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Margin Securities as the Default Market Value or (y) elect to treat the aggregate cost of purchasing the Equivalent Securities or Equivalent Margin Securities actually purchased as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Margin Securities, and, in the case of (y), the Default Market Value of the balance of the Equivalent Securities or Equivalent Margin Securities shall be determined separately in accordance with the provisions of this paragraph 10(e) and accordingly may be the subject of a separate notice (or notices) under this paragraph 10(e)(i)

states that the non-Defaulting Party has received, in the case of Deliverable Securities, offer quotations or, in the case of Receivable Securities, bid quotations in respect of Securities of (B) the relevant description from two or more market makers or regular dealers in the Appropriate Market in a commercially reasonable size (as determined by the non-Defaulting Party) and specifies -

(bb) the Transaction Costs which would be incurred in connection with such a transaction; and

that the non-Defaulting Party elects to treat the price so quoted (or, where more than one price is so quoted, the arithmetic mean of the prices so quoted), after deducting, in the case (cc) of Receivable Securities, or adding, in the case of Deliverable Securities, such Transaction Costs, as the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities; or

(C) states

that either (x) acting in good faith, the non-Defaulting Party has endeavoured but been unable to sell or purchase Securities in accordance with sub paragraph (i)(A) above or to obtain quotations in accordance with sub paragraph (i)(B) above (or both) or (y) the non- (aa) Defaulting Party has determined that it would not be commercially reasonable to obtain such quotations, or that it would ‘ not be commercially reasonable to use any quotations which it has obtained under sub paragraph (i)(B) above; and

that the non-Defaulting Party has determined the Net Value of the relevant Equivalent Securities or Equivalent Margin Securities (which shall be specified) and that the non- (bb) Defaulting Party elects to treat such Net Value as the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities,

then the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities shall be an amount equal to the Default Market Value specified in accordance with (A), (B)(cc) or, as the case may be, (C)(bb) above.

If by the Default Valuation Time the non-Defaulting Party has not given a Default Valuation Notice, the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities shall be an amount equal to their Net Value at the Default Valuation Time; provided that, if at the Default Valuation Time the non-Defaulting Party reasonably

- (ii) determines that, owing to circumstances affecting the market in the Equivalent Securities or Equivalent Margin Securities in question, it is not possible for the non-Defaulting Party to determine a Net Value of such Equivalent Securities or Equivalent Margin Securities which is commercially reasonable, the Default Market Value of such Equivalent Securities or Equivalent Margin Securities shall be an amount equal to their Net Value as determined by the non-Defaulting Party as soon as reasonably practicable after the Default Valuation Time.

- The Defaulting Party shall be liable to the non-Defaulting Party for the amount of all reasonable legal and other professional expenses incurred by the non-Defaulting Party in (f) connection with or as a consequence of an Event of Default, together with interest thereon at LIBOR or, in the case of an expense attributable to a particular Transaction, the Pricing Rate for the relevant Transaction if that Pricing Rate is greater than LIBOR.

- (g) If Seller fails to deliver Purchased Securities to Buyer on the applicable Purchase Date Buyer may -

- (i) if it has paid the Purchase Price to Seller, require Seller immediately to repay the sum so paid;

- (ii) if Buyer has a Transaction Exposure to Seller in respect of the relevant Transaction, require Seller from time to time to pay Cash Margin at least equal to such Transaction Exposure;

at any time while such failure continues, terminate the Transaction by giving written notice to Seller. On such termination the obligations of Seller and Buyer with respect to delivery of

- (iii) Purchased Securities and Equivalent Securities shall terminate and Seller shall pay to Buyer an amount equal to the excess of the Repurchase Price at the date of Termination over the Purchase Price.

- (h) If Buyer fails to deliver Equivalent Securities to Seller on the applicable Repurchase Date Seller may -

- (i) if it has paid the Repurchase Price to Buyer, require Buyer immediately to repay the sum so paid;

-
- (ii) if Seller has a Transaction Exposure to Buyer in respect of the relevant Transaction, require Buyer from time to time to pay Cash Margin at least equal to such Transaction Exposure;
- at any time while such failure continues, by written notice to Buyer declare that Transaction (but only that Transaction) shall be terminated immediately in accordance with sub
- (iii) paragraph (c) above (disregarding for this purpose references in that sub paragraph to transfer of Cash Margin and delivery of Equivalent Margin Securities and as if references to the Repurchase Date were to the date on which notice was given under this sub-paragraph).
- (i) The provisions of this Agreement constitute a complete statement of the remedies available to each party in respect of any Event of Default.

Subject to paragraph 10(k), neither party may claim any sum by way of consequential loss or

(j) damage in the event of a failure by the other party to perform any of its obligations under this Agreement.

- Subject to sub paragraph (ii) below, if as a result of a Transaction terminating before its agreed Repurchase Date under paragraphs 10(b), 10(g)(iii) or 10(h)(iii), the non-Defaulting Party, in the case of paragraph 10(b), Buyer, in the case of paragraph 10(g)(iii), or Seller, in the case of paragraph 10(h)(iii), (in each case the “first party”) incurs any loss or expense in entering into replacement transactions, the other party shall be required to pay to the first party the amount determined by
- (k) (i) the first party in good faith to be equal to the loss or expense incurred in connection with such replacement transactions (including all fees, costs and other expenses) less the amount of any profit or gain made by that party in connection with such replacement transactions; provided that if that calculation results in a negative number, an amount equal to that number shall be payable by the first party to the other party.

- If the first party reasonably decides, instead of entering into such replacement transactions, to replace or unwind any hedging transactions which the first party entered into in connection with the Transaction so terminating, or to enter into any replacement hedging transactions, the other party shall be required to pay to the
- (ii) first party the amount determined by the first party in good faith to be equal to the loss or expense incurred in connection with entering into such replacement or unwinding (including all fees, costs and other expenses) less the amount of any profit or gain made by that party in connection with such replacement or unwinding; provided that if that calculation results in a negative number, an amount equal to that number shall be payable by the first party to the other party.

- (l) Each party shall immediately notify the other if an Event of Default, or an event which, upon the serving of a Default Notice, would be an Event of Default, occurs in relation to it.

11. Tax Event

(a) This paragraph shall apply if either party notifies the other that

any action taken by a taxing authority or brought in a court of competent jurisdiction

(i) (regardless of whether such action is taken or brought with respect to a party to this Agreement); or

a change in the fiscal or regulatory regime (including, but not limited to, a change in law or

(ii) in the general interpretation of law but excluding any change in any rate of tax), has or will, in the notifying party's reasonable opinion, have a material adverse effect on that party in the context of a Transaction.

If so requested by the other party, the notifying party will furnish the other with an opinion of

(b) a suitably qualified adviser that an event referred to in sub paragraph (a)(i) or (ii) above has occurred and affects the notifying party.

Where this paragraph applies, the party giving the notice referred to in sub paragraph (a) may,

(c) subject to sub paragraph (d) below, terminate the Transaction with effect from a date specified in the notice, not being earlier (unless so agreed by the other party) than 30 days after the date of the notice, by nominating that date as the Repurchase Date.

If the party receiving the notice referred to in sub paragraph (a) so elects, it may override that notice by giving a counter notice to the other party. If a counter notice is given, the party

(d) which gives the counter notice will be deemed to have agreed to indemnify the other party against the adverse effect referred to in sub paragraph (a) so far as relates to the relevant Transaction and the original Repurchase Date will continue to apply.

Where a Transaction is terminated as described in this paragraph, the party which has given the notice to terminate shall indemnify the other party against any reasonable legal and other

(e) professional expenses incurred by the other party by reason of the termination, but the other party may not claim any sum by way of consequential loss or damage in respect of a termination in accordance with this paragraph.

This paragraph is without prejudice to paragraph 6(b) (obligation to pay additional amounts if

(f) withholding or deduction required); but an obligation to pay such additional amounts may, where appropriate, be a circumstance which causes this paragraph to apply.

12. Interest

To the extent permitted by applicable law, if any sum of money payable hereunder or under any Transaction is not paid when due, interest shall accrue on the unpaid sum as a separate debt at the greater of the Pricing Rate for the Transaction to which such sum

relates (where such sum is referable to a Transaction) and LIBOR on a 360 day basis or 365 day basis in accordance with the applicable ISMA convention, for the actual number of days during the period from and including the date on which payment was due to, but excluding, the date of payment.

13. Single Agreement

Each party acknowledges that, and has entered into this Agreement and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that all Transactions hereunder constitute a single business and contractual relationship and are made in consideration of each other. Accordingly, each party agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, and (ii) that payments, deliveries and other transfers made by either of them in respect of any Transaction shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Transactions hereunder.

14. Notices and Other Communications

(a) Any notice or other communication to be given under this Agreement -

(i) shall be in the English language, and except where expressly otherwise provided in this Agreement, shall be in writing;

(ii) may be given in any manner described in sub paragraphs (b) and (c) below;

(iii) shall be sent to the party to whom it is to be given at the address or number, or in accordance with the electronic messaging details, set out in Annex I hereto.

(b) Subject to sub paragraph (c) below, any such notice or other communication shall be effective -

(i) if in writing and delivered in person or by courier, at the time when it is delivered;

(ii) if sent by telex, at the time when the recipient's answerback is received;

(iii) if sent by facsimile transmission, at the time when the transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);

(iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), at the time when that mail is delivered or its delivery is attempted;

(v) if sent by electronic messaging system, at the time that electronic message is received;

except that any notice or communication which is received, or delivery of which is attempted, after close of business on the date of receipt or attempted delivery or on a day which is not a day on which commercial banks are open for business in the place where that notice or other communication is to be given shall be treated as given at the opening of business on the next following day which is such a day.

(c) If -

- (i) there occurs in relation to either party an event which, upon the service of a Default Notice, would be an Event of Default; and

the non-Defaulting Party, having made all practicable efforts to do so, including having attempted to use at least two of the methods specified in sub paragraph (b)(ii), (iii) or (v), has

- (ii) been unable to serve a Default Notice by one of the methods specified in those sub paragraphs (or such of those methods as are normally used by the non-Defaulting Party when communicating with the Defaulting Party),

the non-Defaulting Party may sign a written notice (a “Special Default Notice”) which -

- (aa) specifies the relevant event referred to in paragraph 10(a) which has occurred in relation to the Defaulting Party;

states that the non-Defaulting Party, having made all practicable efforts to do so, including having attempted to use at least two of the methods specified in sub paragraph (b)(ii),

- (bb) (iii) or (v), has been unable to serve a Default Notice by one of the methods specified in those sub paragraphs (or such of those methods as are normally used by the non-Defaulting Party when communicating with the Defaulting Party);

- (cc) specifies the date on which, and the time at which, the Special Default Notice is signed by the non-Defaulting Party; and

- (dd) states that the event specified in accordance with sub paragraph (aa) above shall be treated as an Event of Default with effect from the date and time so specified.

On the signature of a Special Default Notice the relevant event shall be treated with effect from the date and time so specified as an Event of Default in relation to the Defaulting Party, and accordingly references in paragraph 10 to a Default Notice shall be treated as including a Special Default Notice. A Special Default Notice shall be given to the Defaulting Party as soon as practicable after it is signed.

Either party may by notice to the other change the address, telex or facsimile number or

- (d) electronic messaging system details at which notices or other communications are to be given to it.

15. Entire Agreement; Severability

This Agreement shall supersede any existing agreements between the parties containing general terms and conditions for Transactions. Each provision and agreement herein shall be treated as separate from any other provision or agreement herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

16. Non assignability; Termination

- Subject to sub paragraph (b) below, neither party may assign, charge or otherwise deal with (including without limitation any dealing with any interest in or the creation of any interest in) its rights or obligations under this Agreement or under any Transaction without the prior written consent of the other party. Subject to the foregoing, this Agreement and any Transactions shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.

- Sub paragraph (a) above shall not preclude a party from assigning, charging or otherwise dealing with all or any part of its interest in any sum payable to it under paragraph 10(c) or (f) above.

- Either party may terminate this Agreement by giving written notice to the other, except that this Agreement shall, notwithstanding such notice, remain applicable to any Transactions then outstanding.

- All remedies hereunder shall survive Termination in respect of the relevant Transaction and termination of this Agreement.

- The participation of any additional member State of the European Union in economic and monetary union after 1 January 1999 shall not have the effect of altering any term of the Agreement or any Transaction, nor give a party the right unilaterally to alter or terminate the Agreement or any Transaction.

17. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of England. Buyer and Seller hereby irrevocably submit for all purposes of or in connection with this Agreement and each Transaction to the jurisdiction of the Courts of England.

Party A hereby appoints the person identified in Annex I hereto as its agent to receive on its behalf service of process in such courts. If such agent ceases to be its agent, Party A shall promptly appoint, and notify Party B of the identity of, a new agent in England.

Party B hereby appoints the person identified in Annex I hereto as its agent to receive on its behalf service of process in such courts. If such agent ceases to be its agent, Party B shall promptly appoint, and notify Party A of the identity of, a new agent in England.

Each party shall deliver to the other, within 30 days of the date of this Agreement in the case of the appointment of a person identified in Annex I or of the date of the appointment of the relevant agent in any other case, evidence of the acceptance by the agent appointed by it pursuant to this paragraph of such appointment.

Nothing in this paragraph shall limit the right of any party to take proceedings in the courts of any other country of competent jurisdiction.

18. No Waivers, etc.

No express or implied waiver of any Event of Default by either party shall constitute a waiver of any other Event of Default and no exercise of any remedy hereunder by any party shall constitute a waiver of its right to exercise any other remedy hereunder. No modification or waiver of any provision of this Agreement and no consent by any party to a departure herefrom shall be effective unless and until such modification, waiver or consent shall be in writing and duly executed by both of the parties hereto. Without limitation on any of the foregoing, the failure to give a notice pursuant to paragraph 4(a) hereof will not constitute a waiver of any right to do so at a later date.

19. Waiver of immunity

Each party hereto hereby waives, to the fullest extent permitted by applicable law, all immunity (whether on the basis of sovereignty or otherwise) from jurisdiction, attachment (both before and after judgment) and execution to which it might otherwise be entitled in any action or proceeding in the Courts of England or of any other country or jurisdiction, relating in any way to this Agreement or any Transaction, and agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

20. Recording

The parties agree that each may electronically record all telephone conversations between them.

21. Third Party Rights

No person shall have any right to enforce any provision of this Agreement under the Contracts (Rights of Third Parties) Act 1999.

(e) Additional Events of Default.

The following shall constitute Additional Events of Default with respect to which Party B will be the Defaulting Party and shall be inserted following Section 10(a)(x) of the Agreement:

- “Benefit plan investors” that are subject to the investment restrictions set forth in the Employee Retirement Income Security Act of 1974 of the United States of America, as (xi) amended (“ERISA”), own 25% or more of any class of equity or membership interests in Party B or, for any reason, any Transaction constitutes a “prohibited transaction” within the meaning of ERISA

(xvii) [Reserved]

Other Violations. With respect to either the LLC Agreement, the Collateral Management Agreement or the Asset Transfer Agreement, (x) Party B (1) violates any provisions of such agreement or (2) amends such agreement, in each case of (1) and (2), in a manner materially adverse to Party A, without the written consent of Party A, or (y) Party B or any other party to the LLC Agreement, Collateral Management Agreement or Asset Transfer Agreement, as applicable, disaffirms, disclaims, repudiates or rejects, in whole (xviii) or in part, or challenges the validity of, the LLC Agreement, Collateral Management Agreement or Asset Transfer Agreement, as applicable; *provided*, notwithstanding the materiality limits contained in subclause (x) above, Party B shall provide Party A with notice of any amendment of the LLC Agreement, the Collateral Management Agreement or the Asset Transfer Agreement at least two Business Days prior to the execution thereof, regardless of whether such amendment will materially adversely affect Party A.

4. Netting of Payments and Deliveries.

As specified in the Agreement and for the avoidance of doubt, it is the intent of the parties hereto that all cash amounts payable in the same currency on the same day hereunder, whether as Income, cash proceeds of redemption of Purchased Securities included in the definition of Equivalent Securities, Purchase Price, Repurchase Price, Cash Margin or otherwise, should be netted off, and thus, if on any date amounts would otherwise be payable in the same currency by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise be payable by one party exceeds the aggregate amount that would otherwise be payable by the other party, replaced by an obligation of the party with the larger aggregate amount payable to pay the other party the excess of the larger aggregate amount over the smaller aggregate amount.

It is the intent of the parties that if one Repurchase Transaction is maturing and another Repurchase Transaction with respect to the same Purchased Securities is commencing on

the same day, the Buyer is authorised to retain the Purchased Securities for the maturing Transaction to the extent necessary to satisfy the obligation of the Seller to deliver Purchased Securities in respect of the new Transaction.

5. Tax treatment of Transaction.

The parties agree to treat all Transactions under this Agreement as loans from Party A to FS Investment Corporation II for federal, state and local income and franchise tax purposes.

6. Further Additional Representations, Warranties and Covenants

With respect to the Initial Assets and any cash and other properties and assets acquired or received by Party B, including any Participations in any properties or assets received by Party B, on or after the date hereof and required to be pledged in favor of Party A (the “Further Assets” and, collectively with the Initial Assets, the “Collateral” and any particular asset that is part of the Collateral, a “Collateral Asset”), pursuant to the Asset Transfer Agreement or otherwise (and for the avoidance of doubt, including without
- (a) limitation, any interest, principal, capital gain or realization, dividend or other amount received with respect to any Collateral): (i) Party B will have the power to grant a security interest to Party A in such Collateral and will have taken all necessary actions to authorize the granting of such security interest; (ii) Party B will be the sole owner of such Collateral, free and clear of any security interest, lien, encumbrance or other restrictions other than Permitted Liens; (iii) Party A will have a valid and perfected security interest in such Collateral, subject to no prior security interest, lien or encumbrance except for liens expressly permitted pursuant to this Agreement; (iv) to the extent such Collateral can be credited to the Custodial Account, the Collateral is held solely in the Custodial Account in accordance with Section 7 of this Annex I and Party B has not transferred any Collateral Asset out of the Custodial Account other than in accordance with the terms of this Agreement; and (v) the performance by Party B of its obligations under this Agreement will not result in the creation of any security interest, lien or other encumbrance on any Collateral Asset other than (A) the security interest granted pursuant to this Agreement and (B) Permitted Liens.
- (b) Party B Status. Party B shall preserve and maintain its legal existence and all of its material rights, privileges, licenses and franchises necessary for operation of its business.

(ii) promptly upon receipt of notice or knowledge of any lien or security interest (other than Permitted Liens) on, or claim asserted against, any of the Purchased Securities, the Custodial Account (as defined below) or any Collateral (collectively, the Purchased Securities, Custodial Account and the Collateral, the "Protected Items").

For the avoidance of doubt, the notice requirements contained in Paragraph 10(l) shall apply to all Events of Default contained in this Annex I.

Party B Incurrence of Debt. Party B shall not incur, acquire, issue or otherwise become an obligor of any indebtedness except to the extent such indebtedness is expressly permitted under this Agreement; *provided*, nothing in this clause (d) shall affect Party B's right to execute transactions under the Revolving Credit Agreement.

Each such calculation shall be executed in accordance with the Fair Market Value Calculation Procedures in Annex II, as such procedures may be amended with the express written consent of Party A. Party B shall provide Party A on a (i) weekly basis, and (ii) daily upon a valuation of the Adjusted Net Worth equal to or lesser than the Collateral Minimum until such deficiency is cured, in each case, a summary of the Collateral Assets (f) (such summary, a "Valuation Update") and the Adjusted Net Worth of the entire Collateral and each Collateral Asset. Each Valuation Update shall be provided in form substantially similar to Annex III; *provided*, that in no event shall Party B be required to obtain a more recent valuation with respect to any Collateral Asset valued pursuant to clause (B)(2) of Annex II hereof (the "Non-Quoted Asset") so long as (1) Party B shall have previously received a valuation with respect to such Non-Quoted Asset provided by an Independent Valuation Firm pursuant to the Fair Market Value Calculation Procedures in Annex II less than four months prior to the date of such Valuation Update or (2) such Non-Quoted Asset was valued pursuant to the proviso in clause (B)(2) of Annex II.

To the extent within Party B's control, Party B will not allow any default to occur for which Party B is responsible under any Protected Items and Party B shall fully perform or cause to be performed when due all of its obligations under any Protected Items. For the avoidance of doubt, any non-compliance by Party B with any applicable laws, rules or regulations shall be considered non-compliance in a material respect if such non-compliance causes, directly or indirectly, the occurrence of any cost, legal or regulatory issue or burden or any other adverse effect on Party A and/or its affiliates.

Inspection Rights. Party B will permit Party A or any representatives designated by Party A, (j) upon reasonable prior notice, to visit and inspect its books and records at such reasonable times and as often as reasonably requested by Party A; *provided* that Party B shall be entitled to have its representatives and advisors present during any inspection of its books and records.

In the event any Transaction is recharacterized as a secured financing of the Purchased Securities, the provisions of this Agreement are effective to create in favor of (l) Party A a valid security interest in all rights, title and interest of Party B in, to and under the Purchased Securities and, in such event, Party A shall have a valid security interest in the Purchased Securities.

Litigation. As of the date hereof, there are no actions, suits or proceedings at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator (m) (collectively, "Actions") pending, or to Party B's knowledge, threatened against Party B that affect the legality, validity or enforceability against Party B of this Agreement or Party B's ability to perform its obligations under this Agreement; on any date following the date hereof, there are no Actions pending, or to Party B's knowledge,

Final Repurchase Date	(a) the date on which the aggregate outstanding principal amount of the CLO Notes, after giving effect to principal payments on that date, is equal to zero; and (b) the CLO Payment Date falling in May 2017 (the “ Scheduled Final Repurchase Date ”).

Margin Ratio: 120%.

Contractual Currency: USD

Repurchase Date: (A) For any Series Transaction outstanding on the Amendment Date, the Amendment Date; provided, that with respect to the Repurchase Price due on the Repurchase Date occurring on the Amendment Date, the portion thereof consisting of interest accrued at the Pricing Rate (the “Accrued Interest”) shall be payable (in aggregate with any Repurchase Price owed for any Series Transaction entered into on or after the Amendment Date in accordance with the next paragraph) on the next Repurchase Date in May 2013. For the avoidance of doubt, (a) nothing herein shall affect in any manner (i) the calculation of the Repurchase Price owed under the Original Confirmation with respect to the period of time from the Purchase Date in February 2013 through the Amendment Date or (ii) the Seller’s obligation to pay such Repurchase Price (other than the Accrued Interest) to the Buyer on the Amendment Date, (b) notwithstanding the terms of the Master Agreement, this Confirmation or any other document, the delay in payment of the Accrued Interest from the Amendment Date until the Repurchase Date in May 2013 shall not be a default or violation of the Master Agreement or applicable Series Transaction and (c) no interest shall accrue on such due and unpaid Accrued Interest during the period from the Amendment Date through the Repurchase Date in May 2013.

(B) For any Series Transaction entered into on or after the Amendment Date, the CLO Payment Date immediately following the Purchase Date for that Series Transaction.

Pricing Rate: For any Series Transaction, the Pricing Rate will be 3.25% (325 basis points) per annum.

Price Differential:	<p>In addition to the amount defined in paragraph 2(ii) of the Master Agreement, the Price Differential will be increased by any Breakage payable by Seller.</p> <p>(a) For any Repurchase Date with respect to which there is no Principal Paydown, zero and</p>
Breakage:	<p>(b) breakage of 125 basis points per annum present valued, determined as follows: for any Repurchase Date with respect to which there is a Principal Paydown (including a Repurchase Date resulting from an Event of Default hereunder) (a “Breakage Date”), an amount, determined by the Buyer in good faith, equal to the present value, discounted at the applicable Swap Rate, of (i) 1.25% per annum <i>multiplied by</i> (ii) 83.333333% of the Principal Paydown <i>multiplied by</i> (iii) a fraction, the numerator of which is the number of days from and including the associated Breakage Date to but excluding the Scheduled Final Repurchase Date and the denominator of which is 360 (the “Discounted Payment”).</p> <p>(a) For any Repurchase Date not resulting from an Event of Default hereunder, the Principal Paydown will equal the aggregate principal amount of the CLO Notes to be redeemed pursuant to the CLO Indenture;</p>
Principal Paydown:	<p>(b) for any Repurchase Date resulting from an Event of Default hereunder, the Principal Paydown will be equal to the Class A Maximum Principal Amount (as defined in the CLO Indenture) minus any principal payments previously made on the CLO Notes; and</p> <p>(c) for any Repurchase Date on which a Purchase Date does not occur due to an Excess Paydown Event, the Principal Paydown will be equal to the aggregate outstanding principal amount of the CLO Notes.</p>
Swap Rate:	<p>For any Breakage Date and any Discounted Payment, except as provided below, the annual swap rate (expressed as a percentage per annum) for a United States Dollar denominated interest rate swap transaction with a maturity equal to the Discounted Tenor which appears on the Reuters Page ISDAFIX1 or any successor page (the “CMS-Screen Page”) as of 11:00 a.m. (New York time) on the Pricing Date, all as determined by Buyer. If there is no quotation for a period corresponding to the Discounted Tenor, then the Swap Rate for the relevant Breakage Date and Discounted Payment will be determined by linear interpolation.</p>

If at such time the CMS-Screen Page is not available or if no swap rate appears, the relevant rate will be a percentage rate per annum determined on the basis of the mid-market semi-annual interest rate swap rate quotations provided by five leading swap dealers in the New York City interbank market (“**Reference Banks**”) selected by Buyer at approximately 11:00 a.m. (New York time) on the Pricing Date. For this purpose, the mid-market semi-annual swap rate means the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating United States Dollar interest rate swap transaction with a term equal to the Discounted Tenor commencing on that day and in an amount equal to the applicable Principal Paydown with an acknowledged dealer of good credit in the United States Dollar interest rate swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to USD-LIBOR-BBA with a maturity of three months. Buyer will request the principal New York City office of each of the Reference Banks to provide a quotation of its rate. If at least three quotations are provided, the Swap Rate will be the arithmetic mean of the quotations, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest). If less than three quotations are provided, Buyer will determine the Swap Rate at its sole discretion, acting in good faith and in accordance with standard market practice.

For purposes of the foregoing, for any particular Discounted Payment, the “**Discounted Tenor**” will mean the period from and including the relevant Breakage Date to but excluding the Scheduled Final Repurchase Date. For purposes of the foregoing, for any given Breakage Date, the “**Pricing Date**” will be the second Dealing Day prior to the relevant Breakage Date.

Equivalent
Securities:

For the avoidance of doubt, with respect to Purchased Securities (and without limiting the applicability of 2(t)(B) or the second sentence of 2(s), in each case of the Master Agreement), only the CLO Notes (or, where applicable, Distributions in respect thereof) will be considered to be “equivalent to” the CLO Notes.

Additional Terms:

On and after the Amendment Date, the Market Value with respect to the CLO Notes shall be equal to the following: (a) so long as the CLO Collateral Value is greater than or equal to 128.358333% of the aggregate principal amount of the CLO Notes, then the Initial MV Percentage multiplied by the then-current principal amount of the CLO Notes and (b) otherwise, the Initial MV Percentage multiplied by the then-current principal amount of the CLO Notes minus the difference between (x) 128.358333% of the aggregate principal amount of the CLO Notes and (y) the CLO Collateral Value.

“Initial MV Percentage” means, (i) on the Amendment Date, 100%, and (ii) after the Amendment Date, the percentage of par determined by dividing the market value of the CLO Note (as determined by Buyer) on any Purchase Date or any Ramp-up Date, as applicable, (which, for this purpose, will be a “clean” price excluding accrued interest) by the principal amount of such CLO Note at that date.

Market
Value of
the
CLO
Notes:

“CLO Collateral Value” means, on any date of determination, the sum of: (i) with respect to each Pledged Obligation held by the CLO Issuer that is a Senior Secured Loan or a Second Lien Loan, the aggregate outstanding amount of such Pledged Obligation *multiplied by*, (1) (x) the average of the indicative bid-side price (expressed as a percentage) for such Pledged Obligation obtained by Buyer from Reuters Loan Pricing Corporation or LoanX, or (y) if only one such indicative bid-side price is available, such indicative bid-side price (expressed as a percentage) or (2) if Buyer determines that neither of such indicative prices is available or that neither of such prices is indicative of the actual current market price of the Pledged Obligation, then the indicative bid-side price (expressed as a percentage) from the loan trading desk of Buyer; (ii) with respect to any other Pledged Obligation (other than Cash) held by the CLO Issuer, the aggregate outstanding amount of such Pledged Obligation *multiplied by* the market value (expressed as a percentage) of such Pledged Obligation as determined by the Buyer in good faith and in a commercially reasonable manner; and (iii) with respect to any Cash held by the CLO Issuer (at such time based on the information most recently made available to the parties by the CLO Trustee), the amount of such Cash.

The market value price determined by Buyer pursuant to clauses (i)(2) and (ii) above is referred to herein as the “**JPMCB Determined Price**”.

Seller, acting in good faith and in a commercially reasonable manner, may dispute the JPMCB Determined Price of some or all of the Pledged Obligations for purposes of any Margin Transfer to Buyer by Seller under paragraph 4 of the Master Agreement, if the following conditions are satisfied: (i) the Seller shall make all Margin Transfers required of it in accordance with paragraph 4 of the Master Agreement and (ii) if no Event of Default has occurred and is continuing with respect to Seller, then by no later than 10:00 a.m. (New York time) on the next Dealing Day, Seller may obtain a firm bid for the full amount of the relevant Pledged Obligation from an Independent Dealer (an “**Independent Bid**”). The Independent Bid must be maintained by the Independent Dealer and actionable for the Buyer before 12:00 p.m. (New York time) on such Dealing Day. If Seller obtains an Independent Bid and submits to the Buyer evidence of such Independent Bid no later than 10:00 a.m. (New York time) on such Dealing Day, then such Independent Bid (subject to any “**Bid Disqualification Condition**” as defined below) shall be used to determine the Market Value of such Pledged Obligation for the purposes of paragraph 4 of the Master Agreement (the “**Dispute Determined Price**”) and the determination of any Margin Securities to be delivered or any Equivalent Margin Securities to be redelivered (in each case, no later than 5:00 p.m. (New York time) on such Dealing Day) in respect of the price established on such Dealing Day shall be based on such Dispute Determined Price.

“**Independent Dealers**” means Bank of America/Merrill Lynch, Barclays Bank, BNP Paribas, Citibank, Credit Suisse, Deutsche Bank, Goldman Sachs, Morgan Stanley, Nomura, Royal Bank of Scotland, UBS, any affiliate of any of the foregoing and any other third party mutually agreed to by Buyer and Seller, but in no event including Seller or any affiliate of Seller.

“**Dealing Day**” shall mean a day other than a Saturday, Sunday or day on which the Securities Industry and Financial Markets Association recommends that there be no trading in US dollar-denominated government securities, mortgage- and asset-backed securities, over-the-counter investment-grade and high-yield corporate bonds, municipal bonds and secondary money market trading in bankers’ acceptances, commercial paper and USD and Euro certificates of deposit.

“Bid Disqualification Condition” means that Buyer shall be entitled to disregard as invalid any Independent Bid submitted by any Independent Dealer if, in Buyer’s good faith judgment: (i) such Independent Dealer is ineligible to accept assignment or transfer of the relevant Pledged Obligation or portion thereof, as applicable, substantially in accordance with the then-current market practice in the principal market for such Pledged Obligation, as reasonably determined by Buyer; or (ii) such firm bid or such firm offer is not bona fide due to the insolvency of the Independent Dealer or that, as of the relevant date of determination, the Buyer determines in good faith that such Independent Dealer is in default under purchase contracts for assets similar to the Pledged Obligations in an aggregate amount in excess of USD 250,000,000.

The foregoing will not operate in derogation of the obligation to make additional incremental Margin Transfers in respect of any later demands.

The JPMCB Determined Price or Dispute Determined Price for any Pledged Obligation that is under contract to be sold by the CLO Issuer will not exceed the sales price to be received by the CLO Issuer under the relevant sale contract.

It is understood and agreed that the definition of “Market Value” set forth above is not intended to and does not track the definition of “Market Value” set forth in the CLO Indenture.

No Substitution: In accordance with paragraph 8(a) of the Master Agreement, substitution is at Buyer’s sole discretion.

In addition to the Events of Default specified in the Master Agreement, the following shall also constitute an Event of Default (as to which Seller will be the Defaulting Party) for so long as any Series Transaction under this Confirmation is outstanding:

Additional Event of Default: (x) Any CLO Event of Default shall have occurred and be continuing, (y) the occurrence of “cause” under the Collateral Management Agreement (as defined in the CLO Indenture), or (z) a breach of any of the covenants contained in Section 9(j) of Seller’s LLC Agreement shall have occurred and be continuing and, in either case of (x), (y) or (z), the non-Defaulting Party serves a notice on the Defaulting Party. For purposes of the foregoing, the Seller will be the Defaulting Party and the Buyer will be the non-Defaulting Party.

CLO Event of Default:

An “Event of Default” as defined in the CLO Indenture.

As of the initial Purchase Date, Cobbs Creek represents that the Final Repurchase Date is a date certain calculated as follows:

Additional Representation of Cobbs Creek:

(i) if the expected weighted average final amortisation of the Purchased Securities (the “**Expected Amortisation Date**”) will occur 5 years or more after the initial Purchase Date for the Purchased Securities, the earlier of the date on which 80% of the number of days occurring between the initial Purchase Date for such Purchased Securities and the Expected Amortisation Date have lapsed or the date on which 20% or less of the initial principal amount of the Purchased Securities is outstanding, and

(ii) if the Expected Amortisation Date will occur more than one but less than five years after the initial Purchase Date for the Purchased Securities, the earlier of the date occurring one year prior to the Expected Amortisation Date or the date on which 20% or less of the initial principal amount of the Purchased Securities is outstanding.

Notwithstanding anything to the contrary in the Master Agreement, payments under the CLO Notes (whether Income or Distributions) received on a Repurchase Date will be applied in the following order:

first, to payment of the Repurchase Price;

second, if the Adjusted Net Worth of the Collateral is less than the Collateral Minimum, to deposit into the Custodial Account an amount equal to the lesser of (i) (1) the Collateral Minimum *minus* (2) the Adjusted Net Worth of the Collateral, and (ii) the amount of the payment received;

Application of
Payments:

third, to any unpaid Margin Transfer amounts owing from Seller to Buyer which would exist after giving effect to repayment of the maturing repurchase transaction and entry into the new repurchase transaction; and

fourth, with respect any remaining amounts (x) prior to the occurrence of an Event of Default, distributed in accordance with the terms of Section 6(o) of Annex I of the Master Agreement or (y) after the occurrence of an Event of Default, Buyer will be entitled to retain any Income or Distribution as additional Margin.

Seller further acknowledges and agrees that (x) neither JPMCB nor any of its affiliates have acted in any placement agent, underwriter or arranger capacity with respect to the Purchased Securities, and (y) following the earlier of (1) the end of the Initial Investment Period (as defined in the CLO Indenture) and (2) the date on which the CLO Notes have been increased to their respective Maximum Principal Amount (as defined in the CLO Indenture), JPMCB may convert the Purchased Securities from certificated to book-entry securities and, in connection with such conversion, JPMCB may, itself or through any of its affiliates, coordinate with Depository Trust Company (“DTC”) (including by completing any required DTC documentation) to facilitate such conversion; it being agreed, for the avoidance of doubt, that JPMCB’s or its affiliate’s role in the conversion of the Purchased Securities is merely for administrative convenience and, notwithstanding any provisions in the required DTC documentation, shall in no event imply that JPMCB or its affiliate have performed or are performing any role as placement agent, underwriter or arranger with respect to the Purchased Securities.
